Dear Mr. Owings:

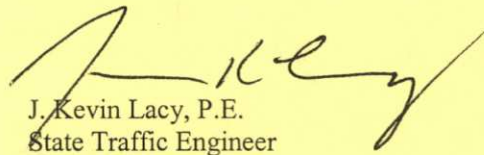

Our investigation of your STAA reasonable access route request number 2158 for Southeastern Freight Lines, Inc. is complete. At this time, we have found the following route to be acceptable by current traffic engineering standards and hereby grant approval for your firm to run all STAA-dimensioned vehicles along this route. The approved route is described as follows:

Reasonable Access Request No. 2158: Mecklenburg County: NC 160 (Steele Creek Road) between Southeastern Freight Lines terminal located at 11700 Steele Creek Road and SR 1128 (Westinghouse Blvd) in Charlotte, SR 1128 (Westinghouse Blvd) between NC 160 (Steele Creek Road) and I-77 in Charlotte.

All weight limits that may exist on this above approved route must be observed.

Please let me know if you have any questions or need additional information.

Sincerely,

J. Kevin Lacy, P.E.
State Traffic Engineer
